NOW AVAILABLE: Patio Cover Installation Instructions

Complete installation instructions available online.

The document features over 20+ 3D images and line drawings.

Project Spotlight: Flat Pan, Puyallup, WA

A timeless **Flat Pan Patio Cover** was installed on a home in Puyallup, WA. The final design is accented with Bevel end caps and matching wrap to keep the design cohesive.

Owners opted for the Flat Pan design, as it would protect their patio from inclement weather during the rainy season and offer shade during the warmer months.
