Project Spotlight: Private Residence Railing - West Linn, OR

Located in a quaint backyard, this 40' deck is installed with **AS&D's Flat Top TR200 railings**, offering the residential deck a modern, earthy feel.

Providing strong protection and a dramatic design appeal, the **Flat Top TR200 railing** was paired with sleek cable infill secured by surface mount posts.

Stairs to the stone backyard pathway used **AS&D's Square Top TR600** railings for easy accessibility and maintenance, creating a unique outdoor space.
