Updated Patio Cover Resources Designed for You

Take advantage of our newly updated patio cover overview page. We designed this page with you in mind. With more product information and a clean, simplified layout, our resource page will help you guide your customers to the perfect patio cover design.

If you see something you like, call our sales team to discuss your next project.

We want to highlight your patio cover project!

Have you recently finished a patio cover project with our products, or will you be starting one soon? We would love to feature you and your company on our social media and in an upcoming newsletter.

If you have a beautiful location and design, contact our

Marketing Coordinator and we'll come out to the jobsite to photograph and video your project.
