

Updated Patio Landing Page

We are continuing to expand our online resources for Patio Covers. Take a look at our updated Patio website page and overview. Of course, your AS&D customer service rep is always available for a phone call as well.

Patio Cover Types

Like shade? **Flat Pan** offers a sleek and refined aesthetic.

Want lots of light? **PolyPanel** creates an elegant "skylight" effect, while keeping out weather and harmful UV rays.

Discover the ideal balance between practicality and affordability with a **V-Pan Patio Cover**.

Insulated Patio Covers will shield you from the heat of sun and in colder temperatures inhibits heat from escaping.

Want both? Mix and match **PolyPanel** with

A **freestanding Lattice Pergola** offers a stunning accent

either **Flat Pan** or **V-Pan** for the best of both worlds.

to your outdoor living area.

Wrap for Color

Dress up your patio cover by wrapping the standard white framework and adding accents (rafters and end caps). **Mix and match the ten colors, including black, to create a distinctive design.**
