PREMIER MANUFACTURER AND DISTRIBUTOR OF ALUMINIUM  
RAILING, BALCONY, SUNSHADE AND INTERIOR DOOR SYSTEMS

CIELO APARTMENTS

## WHO IS AMERICAN STRUCTURES AND DESIGN?

AS&D is a premier manufacturer and distributor of aluminum railing, balcony, interior door, and sunshade systems; selling exclusively to distributors, dealers, and wholesalers.

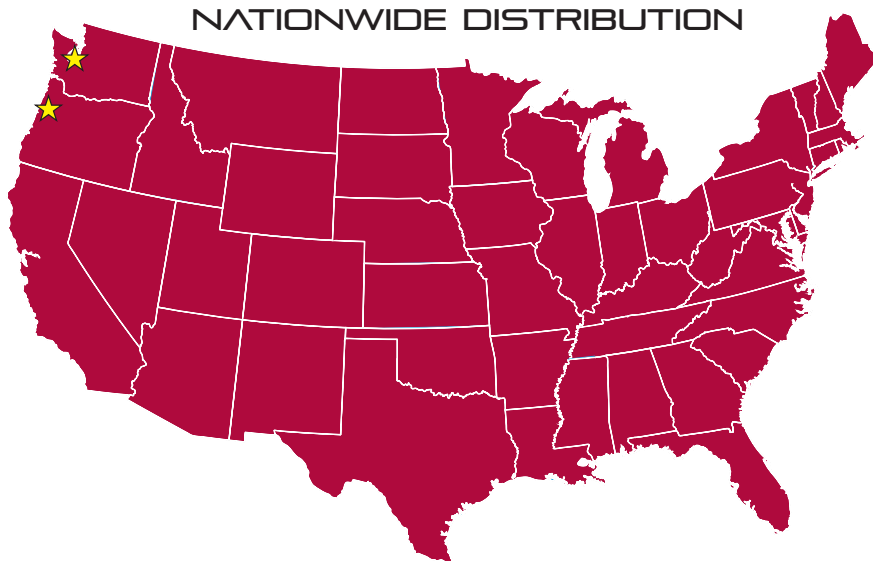

Experienced in residential and commercial construction, our full lines of ready-to-install systems are highly customizable and available in a variety of finishes. Our wide selection of pre-designed, pre-engineered, pre-fabricated systems guarantees structural integrity while our in-house inventory allows for rapid order fulfillment and delivery.

The AS&D team is committed to providing American-made products, helping to ensure our delivery time while also supporting our community and LEED efforts.

## TWO LOCATIONS TO SERVE YOU

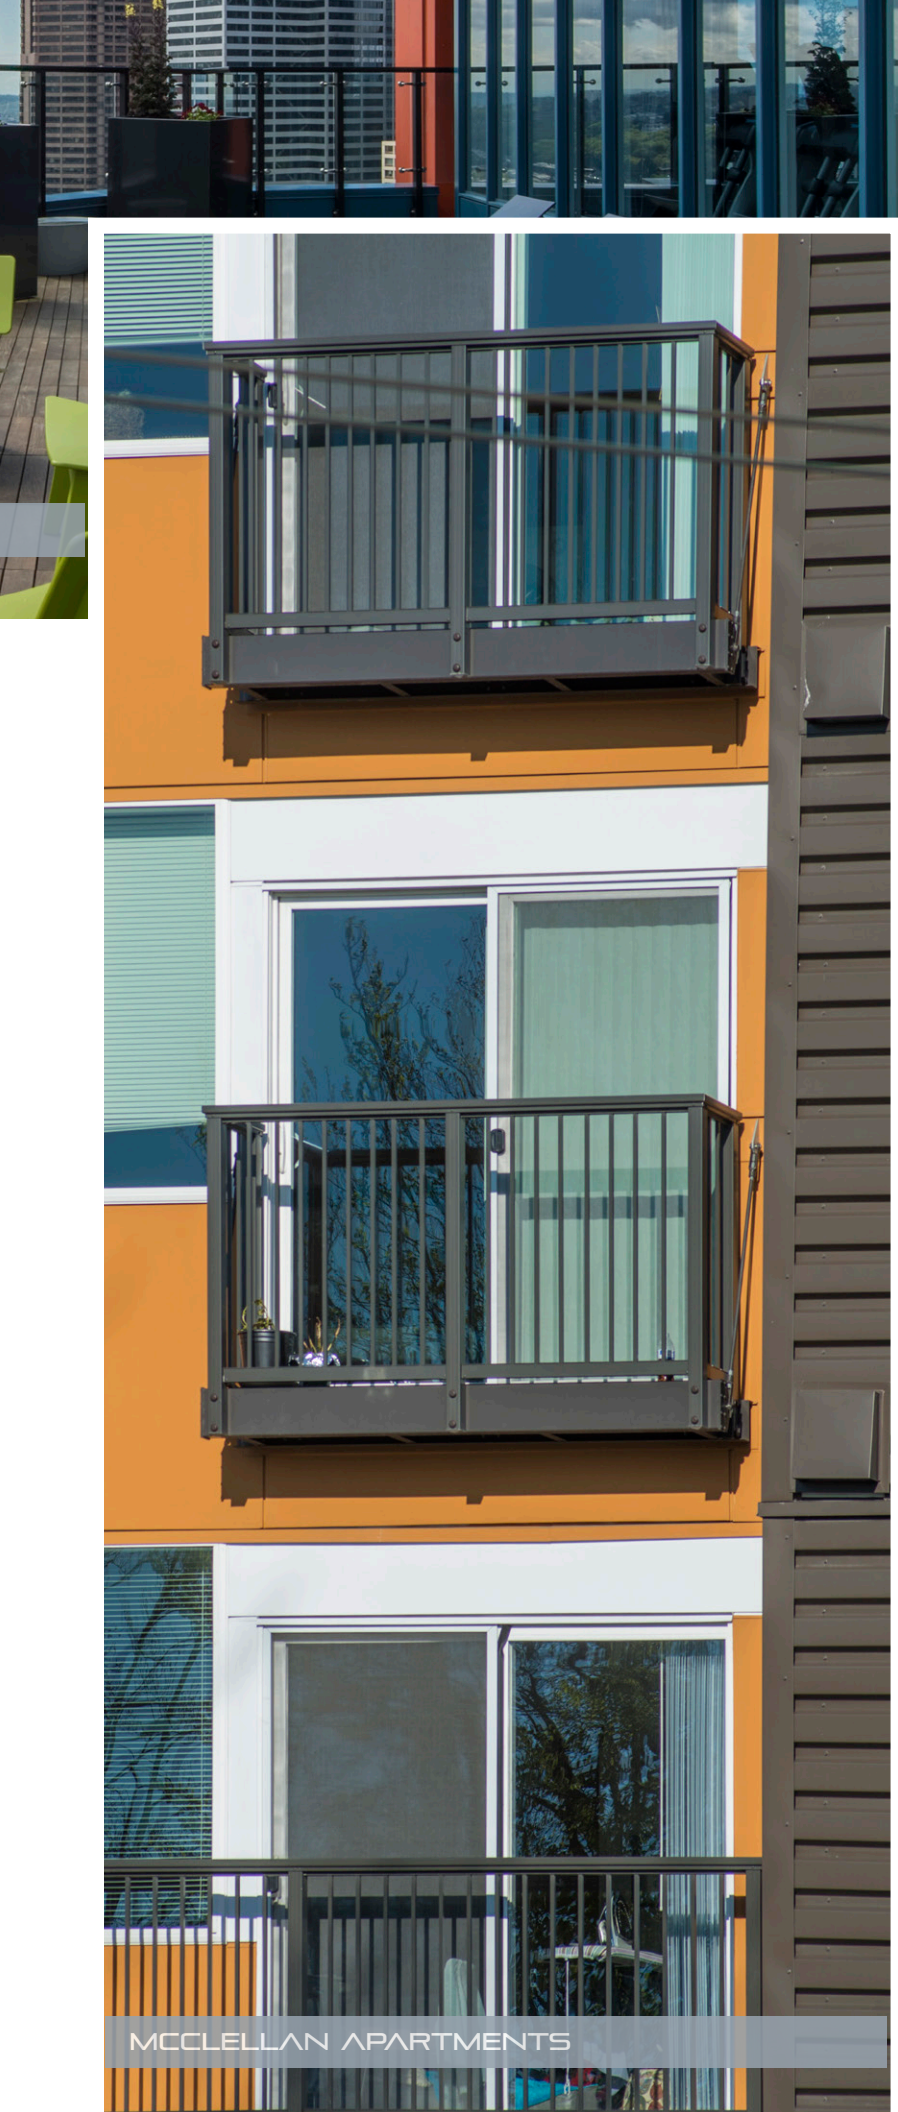

With locations in both Washington and Oregon, American Structures now serves two markets with the same level of expertise and craftsmanship. Both locations offer will-call product pick-up and in-house displays of our aluminum railings, infill options and mounting systems. Highly trained in-house estimators are available for your technical questions.
